

Fund Raising Policy

1. Code of conduct for Fund-raising

Statement of Intent

We will in principle avoid fund-raising activities that focuses on our children's difficulties.

1) All fund-raising events must be put in writing to the SLT who will then approve the event in principle and delegate the activity to the fund-raising group.

2. Press coverage

All press releases and photographs must be approved by the Executive Head Teacher or the deputy in his absences. Photographs should not be taken (and certainly not released) without parental approval.

3. Agreed descriptions:

Our children should be described as "children who have special educational needs".

4. Fund-raising from outside the school (i.e. voluntary groups, commercial bodies)

We need to liaise with fund-raisers prior to events to agree the nature of the fund-raising, press coverage and any other conditions. A member of the SLT will undertake this in conjunction with other interested members of staff.

5. Monies raised

- a) Donations may be designated for a particular purpose by the donor in conjunction with the school. Alternatively the donation may subsidise pupil based activities or be included in larger scale projects.
- b) Monies will not be used for the benefit of named individual pupils.
