

The Beacon
Folkestone

Parent Friendly
Safeguarding Procedure.

The Beacon Folkestone will endeavour to keep pupils safe and free from harm.

We are committed to playing a full and active part in the multi-agency response to safeguarding concerns. Additionally, the school has a legal duty to safeguard and promote the welfare of our pupils. Our Policy does reflect Local Authority requirements.

Through our day to day contact with pupils, and direct work with families, The Beacon Staff have a crucial role to play in noticing indicators of possible safeguarding concerns. Parents/carers should be aware that as part of our procedures we are to report any concerns to Social Services/Police immediately.

To avoid any misunderstandings, parents/carers of pupils who sustain accidental injuries which result in cuts/bruises/fractures should inform the school without delay.

Principles

Pupils have a right to be safe.

Parent/carers have a right to be informed.

Pupils are best protected when parents/carers and school can work together.

Partnership

School will inform parent/carers of any concerns about their children (providing it does not compromise the pupil's safety) and will help and support them as necessary.

Prevention

Staff at The Beacon Folkestone will take positive actions to safeguard pupils through the development of an open culture that informs pupils of their rights and encourages them to speak about any concerns. The school will also address the issue of pupil's safety through the curriculum.

Responding to Concerns

Staff at The Beacon Folkestone will respond to concerns in regards to the safeguarding of pupils through the appropriate agencies.

Staff at The Beacon Folkestone will discuss with parents any concerns they have about pupils, where appropriate parents/carers will be kept informed of what has happened.

Pupil to Pupil Concerns

Safeguarding concerns of pupils by other pupils will be dealt with through the school's Anti-bullying Policy. Parents/carers will be kept informed.

Confidentiality

Information from parents/carers about possible safeguarding concerns cannot be kept confidential. Information and records about pupils on the Child Protection Register will be given only to those professionals who need it and will be kept strictly confidential by them.
