Tell me about yourself: Have you got any hobbies? What do you like? What sort of person are you?

Tell me about school: What do you like about it? What do you not like about it?

Tell me about your friends: What are they like? Why do you like them? What might they say about you? Is it difficult to make friends?

Can you think of something that you're good at?

Can you think of anything you would like help with?

Tell me about some of the good things about being you. Tell me some of the things that are not so good about being you: What would you like to change?
