ZONE 2 TERMLY UPDATE

THE BEACON WALMER

Curriculum Highlights

Understanding the World Day

The pupils had amazing fun on a whole day themed on our Understanding the World curriculum strand. For Science, they created exploding volcanoes. For History, they learnt about World War 11 and Remembrance. For music, the children experienced a 'Rave Cave' and had an indoor campfire experience. They also made lava lamps and experienced a snow and bubble machine outside!

Music

We were very lucky this term to have Robin, a Kent Music teacher, doing weekly music lessons with Years 5 and 6. The pupils in these classes have been learning how to play the ukelele.

Parent Training

We have had some very successful sessions for parents this term. Lizzie Wells, our link Speech and Language Therapist, has run some speech therapy clinics. These sessions had a fantastic uptake and there will be further sessions in the New Year. Please keep an eye on Arbor for further opportunities for parent training next year.

Thank you for all your support of the school and your children's learning. I hope you have a happy, safe and wonderful Christmas and New Year. See you in 2026!

Glendale

We have continued our very successful relationship with our local residential home, Glendale. A small group of children visited the elderly residents, shared stories, played games and participated in activities. A fun morning for all!

Sport & PE and clubs With our new sports hall facilities, we have been able to offer a broader range of sporting activities for our pupils to participate in. We have brand new sports equipment, such as netball hoops, tennis nets, hockey, gymnastics equipment and much more. The children have also had the opportunity to take part in a cheerleading workshop.

Christmas Celebration

Thank you to all the parents and carers that came to our Christmas celebration. The children did incredibly well singing and dancing to the Christmas classics.

TERM 3 KEY DATES

End of term: Friday 19th December

Term 3 begins: Monday 5th January

February 9th-13th: Children's Mental Health Week

10th February: Digital Technology Day

Friday 13th February: last day of term
