Zone 2 Term 2 Newsletter

Specialist Class update

Antigua, Canada, Nicaragua, Seychelles and St Kitts have produced some fabulous creations as part of this term's themed learning topic "Sparkle and Shine". The pupils worked really hard when working with different colours, textures and themes. Well done everyone!

Christmas Extravaganza!

A huge thank you to pupils, teachers, teaching assistants and parents for their efforts and support throughout the Christmas Extravaganza at the end of term. This was an amazing event involving singing, jokes, dancing and a wonderful collective singalong of the '12 days of Christmas'. I would personally like to thank Jade, Cody, Jake, Mr Ince, Mr Moore, the site team and everyone involved in supporting our pupils make this event so memorable for us all!

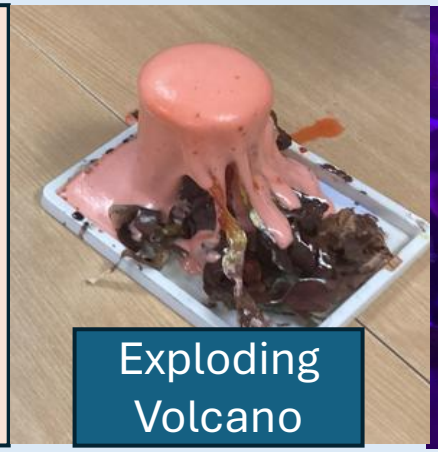
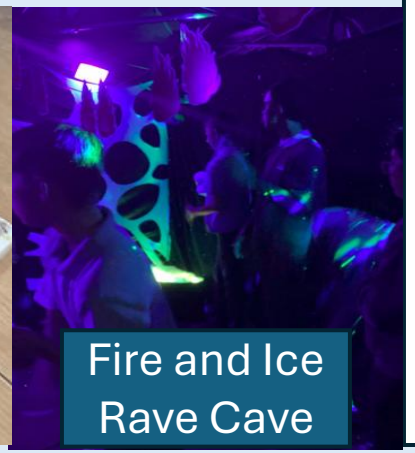
James - Haiti
Lexi-Mae - Haiti
Summer - Belize
Alfie - Cuba
Daisy - Cuba
Leonard - USA
Riley - Bermuda
Ruben - Bermuda

Understanding the World Day

Every pupil across Year 7 to 11 took part in an amazing curriculum day focused around the Understanding the World curriculum areas. The day was organised by Mrs Harley and involved pupils taking part in a number of amazing activities from a Fire and Ice theme this included Rave Cave, Virtual lesson from a geography professor to the creation of an actual exploding volcano, a snowflake designing activity to name a few.




Well done to all the pupils who engaged so well with the activities and Mrs Harley for pulling the whole event together so seamlessly.
