ZONE 3 TERMLY UPDATE

THE BEACON

What a term we have had!

The Zone 3 pupils have been working very hard, through what has been a long term, full of change and excitement.

In English, our young people have been reading and working on Romeo and Juliet, whilst in Maths, they have been working on the key skills of multiplication and division.

As always, our pupils have tackled new challenges head on and as a result, made great progress!

A group of KS4 and KS5 girls attended the Three Hills on Thursday 11th December to practice leading different sports activities in preparation for leading an inclusive event later in the year.

Rosie, Sophie-Louise, Amy, Summer, Erin, Lorelai and Libby took part in a range of activities, including: Boccia, New Age Kurling, Wheelchair Basketball, Kinball and Pickleball.

This term, 6th Form Catering & Hospitality pupils were invited on a guided tour of Docker Bakery. Pupils were shown how the bread is made and baked on an industrial scale. They also got to look at the large equipment in action including the biggest oven they have ever seen!

The pupils had a great time learning about careers in the sector and had some really thoughtful questions for the staff at Docker. They all had a brilliant day and were lucky enough to sample some of the bakery's cookies once they returned to school! We are really grateful to Docker for hosting us and hope to visit again soon.

Specialist Classes in Zone 3 (Aruba, Cape Verde and Egypt) have been busy preparing for Christmas. Pupils have been involved in craft creations, designing and making cards, and working on social skills helping each other decorate their classrooms.

The following pupils took part in a level 2 First Aid course with Mark Jones and they all passed. They showed great understanding, commitment and maturity in the session and were able to successfully complete the training. A great certificate for them to achieve.

Well done Riley, Sophie-Louise, Rosie and Thomas!

It was lovely to welcome back our leavers to collect their certificates and catch up with friends. We are really proud of our Alumni and look forward to hearing more about what they get up to over the course of the next year.

DATES FOR THE DIARY

5th January—Pupils Return to School

28th January—Year 11 Options

W/C 9th February—Children's Mental Health Week

13th February—End of Term 3
