Zone 2 Term 3 Newsletter

Assistant Headteacher's update:
What a wonderful term we have all had! Thank you to all the pupils in Zone 2 for your efforts this term and thank you to parents for your continued support of the school and all the wonderful activities the pupils have engaged with this term.

Here is a brief summary of some of the successes from Zone 2 this term.

- Parents evening where parents met subject teachers was a huge success! Thank you to all parents who managed to attend this.
- Mexico, Haiti and Cuba classes competed in Boccia and Table Cricket tournaments – they each did exceptionally well.
- Pupils from Year 10 and 11 competed against one another for a Business Beacons competition. The competition was built around a healthy food concept where pupils created a business, made a business plan and then executed the business plans by selling their goods to the public. Well done to all – particularly those groups who made a profit! All profits will be going to a charity of the pupils' choice.
- Digital Technology Day was a roaring success – students engaged in AI and internet safety throughout the day.
- St Lucia pupils have been preparing with David from Kent Music for a performance in Canterbury next term!

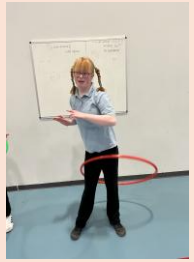
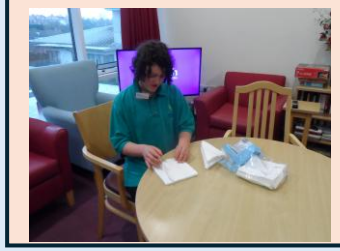
Specialist Class update

Pupils in our Specialist Curriculum Classes had great fun at their Hula Hoop workshop this term with local expert Rosie Spinks. Pupils were treated to an explanation and demonstration of various 'moves', including some with really interesting names such as Wedge Duck Over, Chicken Wing Toss and Mandala! Here are some of the pupils in action!



Caring for Others Curriculum Strand
Our pupils have been spending time at Broadmeadow Care Home as part of their work experience - the pupils have truly embraced this opportunity. During their visits, they have been helping with cleaning, preparing communal areas, carefully laying tables ready for mealtimes, and supporting staff with everyday tasks.
Pupils have developed good relationships with the residents of the care home when they sit with them, talking and listening to their stories. This has resulted in the pupils building warm, respectful connections with people of an older generation. The pupils have also joined in with games and activities, bringing energy, laughter and companionship to the home. It has been a valuable experience for everyone involved, helping our pupils develop confidence, empathy and a strong sense of community responsibility.



Congratulations to the following pupils who have received a certificate for achieving 5, 10 or 15 Beacon Values.
