ZONE THREE TERMLY UPDATE

THE BEACON

Another term has flown by in the blink of an eye.

In Zone 3, we have started 2026 with a bang. The pupils have begun the new year with their usual spirt, hard work and determination.

The term has seen us enjoying Digital Technology Day, Children's Mental Health Week, assemblies from different onwards provisions (like Beacon Plus and Grow 19) and of course kept high spirits during the very best of the Great British Weather!

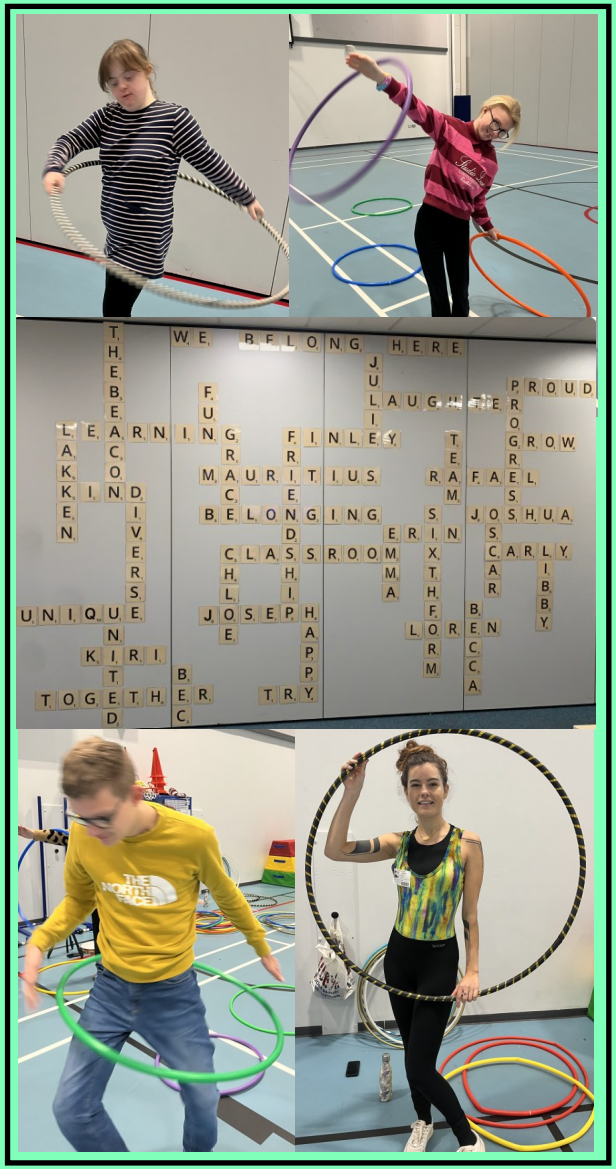
Academically, the pupils continue to go from strength to strength.

In Maths this term, pupils have covered measurement, along with developing their understanding of division. The term has finished with a mock exam, which the pupils handled exceptionally well.

In English, pupils have been studying Bear Grylls' autobiography. As well as this, they have written a letter to Tony Vaughn, to showcase their formal letter writing skills.

Pupils in our Specialist Curriculum Classes had great fun at their Hula Hoop workshop this term with local expert Rosie Spinks.

Pupils were treated to an explanation and demonstration of various 'moves', including some with really interesting names such as Wedge Duck Over, Chicken Wing Toss and Mandala! Here are some of the pupils in action!



Our zone E-Leaders have enjoyed holding assemblies for their peers, to help us teach the importance of online safety.

As well as this, they have been over to our Walmer Site to help educate younger years there on the best ways to keep safe online.

We are very proud of the maturity they have shown, educating on such an important topic.

Work experience opportunities continue to be a highlight for us, with pupils working in various roles across the school.

Maths TA, café support and site team roles are just some of the jobs pupils are able to experience, helping them to understand the demands and expectations of the workplace.

DATES FOR THE DIARY

23rd February—Pupils Return to School

W/C 2nd March—National Careers Week

9th March—Parents Evening

2nd April—End of Term 4
