ZONE 1 TERMLY UPDATE

TERM 6

Healthy Lifestyles Day

This term we took part in Healthy Lifestyles Day. Pupils enjoyed activities such as Boogie bounce, Healthy food taste sessions, mindfulness outdoor sessions and learning about what we need to be healthy in body, mind and spirit. A great fun day was had by all.

Highlights from Term 6

We held many other events this term including Pirate/Water fun day, Zone disco, Participation in the Charivari Festival in Folkestone, Beach School trips, Class Outings to Wildwood, Jujitsu sessions, music lessons including ukelele, piano and drumming lessons, Sports events and our end of term Disco with special guests Buzz and Woody.

We are always looking for ways to support pupils Personal Development and Cultural Capital opportunities such as these provide those extra additions that enhance our curriculum.

Over the summer we are making some changes in Zone 1 and are introducing a new Trim Trail for September. We are excited that this will be another addition to our outdoor learning provision providing balance, movement and agility challenges accessible by everyone.

Achievements 2026

We celebrated the achievements of all children from Zone 1 at our annual Achievements Ceremony. It is always wonderful to reach the end of the year and reflect back on how far the children have come and celebrate their individual success. These occasions can be difficult to manage but we know that some of the performances were exceptionally moving as an example of what can be achieved. We are really proud of each and every one and know that progress is measured in all areas no matter how small. We thank you for your support and look forward to more incredible achievements next year.

Beacon Values

We continue to celebrate Beacon Values in Zone 1. Pupils are rewarded when they show Bravery, Encouragement, Achievement, Curiosity, Opportunity and Nurture. These values are embedded as something we all recognise and celebrate. From September we will be introducing a new way of celebrating our values. More information on this in the new school year.

We wish you all a happy and peaceful summer holiday and look forward to meeting you again on 3rd September 2026

Transitions

All pupils have completed several transitions to their new classes. These have been very positive and everyone is looking forward to their new teams and class groups for September. Staff have supported the pupils expertly in managing these transitions and are ready for the new year ahead.

Summer Reading Challenge

As you know we are always keen to

We are joining forces with the Reading Agency and Kent Libraries in the Summer Reading Challenge 'Read to the Beat'

Families are invited to participate in reading challenges and games online or at your local library. There are two in Folkestone Wood Avenue Library and the new one in Sandgate Road near Boots. If you want to access the online resources you can follow the link below

Summer Reading Challenge - Kent County Council

We look forward to hearing about the range of rewards and prizes you earn over the summer.
