

# Term 1 – Learning in Jamaica Class

## Communication:

This term we are going to learn about how to write a diary entry, inspired by our learning about Jamaica.

## Number:

We are going to take our Maths for Life assessment to correctly level us for the year ahead.

## Healthy Lifestyles:

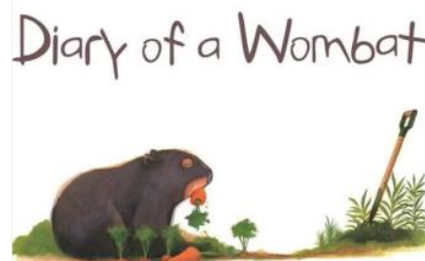

In Food Technology theory – We are learning about healthy lifestyles, what a balance plate means and whether drinks are good or a treat.

In Food Technology cooking- In cooking, we will be creating some dishes based on cooking basics. Practising knife skills and tasting different foods.

In Beacon Citizenship – We are looking at self- awareness, focusing on our emotions and goals for the year.

PE- We will be learning and playing different invasion games.

## Our focus book for this term is:

## Digital Technology:

In Digital Technology this term we are learning about coding using Bee-bots.

## Understanding the World:

This term we are learning about Jamaica

In Art – We are looking at cultural art and exploring the vibrant colours of Jamaica.

In Music – We are going to explore reggae music and learn to sing a reggae song.

In Geography – We are comparing Jamaica to Folkestone and looking at similarities and differences.

In Science – We are learning about living things and their habitats particularly the Jamaican habitats.

In RE – We are learning about three different religions: Christianity, Judaism, and Islam.
