

Communication

This term we are going to be focusing on our name writing. We will also be thinking about 'Who?' 'What?' and 'Where?' in relation to a story.

Healthy Lifestyles

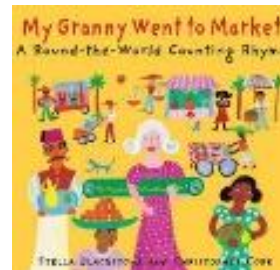

In Physical Education, we will be following simple instruction through class games. We will also be experimenting with different ways to travel and develop our ball skills.

In Beacon Citizenship, we will be developing our self- awareness. This will involve recognising our emotions, strengths and developing a positive mindset!

In Food Technology, we will be developing basic skills whilst cooking and thinking about healthy food choices.

Term 1- Italy!

Texts for the term:

Digital Technology

We will be exploring electronic devices at home and at school.

Number

In Number, we will be making comparisons and recognising how objects are the same or different. We will be matching and grouping objects based on a criteria.

Understanding the World

In Art, we will be creating our own self- portraits using a range of media.

In Science, we will be learning about and using our senses.

In Music, we will be learning Harvest songs and exploring the best of music.

In Religious Education, we will be focusing on the question- 'Who is a Muslim and what do they believe?'

In Geography, we will be learning all about ITALY.
