The Beacon Folkestone is committed to ensuring equality of opportunity to all pupils, staff and visitors. Our Core Values are at the forefront of everything we do and we ensure all at The Beacon are treated equally regardless of age, disability, race, colour, ethnicity, nationality, religious belief, gender, gender identity, transgender, sexual orientation or marital status.

The Beacon strives to be an all-inclusive environment where we respect and encourage individual differences. We are always looking for opportunities to champion equality through the broadening of knowledge and experiences of everyone across our community and this includes the staff and clients of those using the services of our multi-agency support hub.

Our aims are to ensure there are equal opportunities for pupils, staff, their families and the wider community, regardless of their disability. This forms an integral part of our School Improvement Plan.

The aims for 2020-2023 are to build and improve schemes to help challenge and bring down barriers for disabled children and young people, establishing a recognised and integral role within the community. This will include broadening the range and depth of positive experiences of life both inside and outside the school and embedding ourselves within our communities (local, county, national and international levels):
