Dear Parent/Carer,

### Global School Alliance

This letter is to inform you that The Beacon has become a member of an exciting new area of learning – we have joined the Global School Alliance (GSA). The GSA unites passionate educationalists from around the world under the common goal of providing global learning and citizenship for students. Please take a look at their website to find out more:

To enable us to make the best connections, share resources and our students' learning, I would like to be able to post photographs and pre-recorded video clips of our pupils talking about the different projects they are involved with, onto the GSA online platform for students from other countries to see.

Please fill in the slip below with your child's name and the level of permission you give for your child to be involved.

Thank you.

Yours faithfully,

Martin Henderson  
Leader of Learning
