

What is Labour Market Information?

Labour Market Information (**LMI**) can help us research current and future jobs to understand the world of work. This could include things like:

Qualifications Skills Salary Career Sectors

Future Jobs

Location of employers

LMI can help you understand:

- What employers are looking for
- Employment opportunities both locally and nationally
- The skills you might need to help with future job prospects

These websites can help you find out more:

Start Profile: <https://kent.startprofile.com/page/home-page>

Youth Employment UK: www.youthemployment.org.uk

CXK: www.cxk.org/resources/labour-market-information/
