The Beacon Folkestone

Celebrate with us our achievements on the MOVE programme.

Learn what MOVE is and how it enhances our lives.

Visit different company stands. See how their equipment can be used to enable our pupils and others to achieve so much more. Discover what resources are out there to make movement more possible.

Come to be inspired and share each others knowledge.

HERE ARE SOME OF THE COMPANIES THAT WILL BE PRESENT.

Rehabilitation Manufacturing Services Limited (RMS) are a UK manufacturer based in Sittingbourne, Kent. RMS has expanded over the years both nationally and internationally, supplying to the NHS and the private sector. We provide high quality mobility equipment of all types, seating systems, bespoke manufacture, outsourced manufacture and accessories. RMS offer FREE demonstrations and assessments.

QUEST 88

Every position a child adopts has an effect on their development and functional movement, both now and in the future. No-one understands this better than we do at Jiraffe. Part of Jenx Ltd, Jiraffe specialises in sourcing and providing postural care equipment and support for everybody, whether they're at home, school, rest or play!

Our objective is to provide children's postural seating system which enhance the daily lives of individuals with a varying degree of disability.
