

KEEPING YOUR CHILD SAFE ON THE INTERNET

*Learn, support and
develop*

Here is why you should attend.

Here at The Beacon we take the safety of our children and young people very seriously.

As a school we do everything that we possibly can to ensure everyone is kept safe at all times during the day.

We are actively putting measures in place to keep our pupils safe in school and online.

But do you know what your child is doing in the evening?

This drop in is designed to make you aware of the dangers your child may face whilst online and what you can do to protect your child at home whilst online.

We strongly encourage all parents/carers and friends of The Beacon to attend,
