

WINDSOR CASTLE

To: Mr N Ingleston and The Pupils in St Lucia Class
The Beacon School, Folkestone

The Queen wishes me to thank you very much for your splendid handmade cards, and for the kind messages you sent on the occasion of the seventieth anniversary of Her Majesty's Accession to the Throne.

The Queen was touched to hear from Mr Ingleston how much you had enjoyed learning about Her Majesty's long reign, and greatly appreciates the care with which you created your cards in celebration of The Queen's Platinum Jubilee.

Her Majesty is most grateful for your thoughtfulness in sending your good wishes at this special time, and I am to thank you all once again.
