

STAFF WELL-BEING – COVID19

Reintegrating back to school life can be a challenge at any time but that demand is even higher during the current climate of uncertainty and change. Below we have gathered a information, resources and services that should support you, your colleagues and your school families in this process. Remember, we are all in this together. Thank you.

KEY POINTS TO CONSIDER ABOUT YOU.

SHARING IS CARING

it is good to talk whether this be with your work colleagues or friends, family or mentors away from your work place to share concerns.

BALANCING FAMILY and WORK RESPONSIBILITIES

how to manage expectations without making things worse....

HEALTH CONCERNS

heightened anxieties about contracting the coronavirus.

MONEY PROBLEMS

support with financial issues.

RETURNING TO ROUTINES

remember the benefits of routines for all, including you!

PARENTS/CARERS

get involved in helping to identify your child's anxieties around returning to school and help to devise an action plan together with your child and class teacher to help ease their return.

SUPPORTING STAFF

[LIVE WELL KENT](#) - we can help you improve your mental and physical health and wellbeing. It is a free service for anyone aged 17 and over. You might want to improve your everyday living, become more independent and confident, meet new people, get better skills or find a job. Whatever it is, we're here to help. We won't judge you and what we discuss will remain confidential.

KEPS/EARLY HELP/STLS TOP TIPS

Establish a **STAFF CHECK-IN SYSTEM** – Twaronite (2019) found people felt the greatest sense of belonging when their colleagues checked in with them both professionally and personally.

ENSURING STAFF ARE FEELING GROUNDED – staff are provided with an extended period of re-grouping to feel connected.

Set up a **WOBBLE ROOM** and have a protocol in place for staff should they need to take a step back where they can. Some staff may require support beyond what the workplace can offer.

PREPARING FOR THE CLASSROOM

Time is set to reflect and could involve a virtual brainstorming workshop led by a member of staff

SOLUTION FOCUSED COACHING SCALING QUESTIONS

Use a scale of 1 – 10 to gauge how staff are feeling and develop steps to get them into a different place on the scale.
